

Sierra Nevada Electronic Monitoring

Quick sheet for agencies & probation

Authorized SCRAM Systems Service Provider · Winnemucca shop · we enroll clients from across Nevada and out of state

Call us

(775) 375-8456

4554 Grass Valley Road · Winnemucca, NV 89445

sierranevada@sierramonitoring.net · www.sierramonitoring.net · [Book online](#)

Hours: Mon–Thu 9:00 AM–5:00 PM PT · Fri by appointment · Sat–Sun closed

What we enroll (put the exact name on the order)

SCRAM CAM	Alcohol ankle; house arrest when ordered on that bracelet
VCheck24	Phone-app supervision with optional breathalyzer — not a bracelet
Talitrix	GPS watch / band
IID	Intoxalock · Smart Start · LifeSafer — bring the brand on the order
Court UA	Live now · 14-panel (can change — call for options) · EtG/fentanyl when ordered · observed when required · most of Nevada
DOT	Coming soon — not live · phase-1 planned: collect+ship, TPA, BAT/EBT · don't order us as a DOT site yet

What to put on the directive

Client legal name + DOB · exact product/brand · start (and end/review if known) · PO/agency contact for reporting · specials (observed UA, EtG, fentanyl, house arrest on SCRAM CAM, etc.)

How enrollment works

1. **Call (775) 375-8456** or **book** at www.sierramonitoring.net/book
2. Client brings **photo ID** + the paperwork naming the device or UA
3. We enroll to that order and report per your directive

We're happy to walk a client through it — no rates on this sheet; just call for today's rates. Please keep SCRAM CAM separate from GPS, and court UA separate from DOT.
